I don't have to be an example for the society, like doing the dishes, cleaning the house, and cooking, only because someone wants this! We have the power and the freedom to do whatever we want!

Hey! I love watching  
you <sup>WEARING</sup> wering  
swimming clothes!

Well, and I can stand  
listening this <sup>COMMENT</sup> comente  
from a men, you must  
respect us!

Hey! What are afraid  
about? Just because  
I'm women? Calm  
down and I'll take us  
safetly.
